B Conditions of Participation

Special statement: these conditions contain the terms that expressly excused, restrict the liability of the Organizers or restrict the rights of the Exhibitor. These terms (including other important contents) are purposely made in bold to draw attention of each Party. Upon request by the Exhibitor, the Organizers are willing to explain these terms in further details to the Exhibitor.

Conditions of Participation

1. Definition
The nouns defined in these Conditions of Participation apply to all the terms on participation, and shall have the following definitions unless the context

(a) "Organizers"- means

Messe Düsseldorf (Shanghai) Co., Ltd.

Address: Unit 2902/03/04A, Sinar Mas Plaza, 501 Dongdaming Road, Hongkou District, Shanghai 200080, China Tel: (86 2 1) 6169 8373

Fax: (86 21) 6169 8301 E-mail: wire@mds.cn Website: www.mds.cn Hereinafter referred to as MDS

 Shanghai Electric Cable Research Institute Co., Ltd.
Contact Address: 1000 Jungong Road Shanghai 200093, P.R.China Tel: (86 2 1) 6538 7930 Fax: (86 2 1) 6548 6602 E-mail: exhibition@secri.com Website: www.secri.com

Above Parties collectively are referred to as "Organizers".

The Organizers are responsible for implementation of the Exhibition within their respective duties and functions as set out hereunder and in the Application Form.

Rights of the Organizers hereunder shall be exercised by MDS.

- (b) "Exhibition" means the 11th All China International Wire & Cable Industry de Fair to be organized by the Organizers as specified in the Application Fo
- (c) "Exhibitor" means any entity, legal person or other form of company applying to exhibit at the Exhibition or, as the case may be, whose application to exhibit or, as the case may be, whose application to exhibit at the Exhibition has been accepted by the Organizers.
- (d) "Exhibition Venue" means Shanghai New International Expo Centre
- (e) "Relevant Period" shall commence from the date on which the Exhibitor submits its Application Form to the Organizers and shall end on the last day of the
- (f) "Publicity Materials" means the promotional gifts, catalogues, pamphlets all and any advertising and publicity materials Exhibitor wishes to display, distribute or use at the Exhibition.
- (q) "Build-up Period" means the period for the constructors to build up and ruct the exhibition booths at the Exhibition Venue as specified in the Exhibitor Service Manual referred to in Article 2.1 hereof.
- (h) "Exhibition Period" means [the period specified in the below Article 2.2].
- (i) "Dismantling Period" means the period for the constructors to dismantle the constructions at the Exhibition Venue as specified in the Exhibitor Service Manual referred to in Article 2.3.
- (i) "Shell Scheme" - means (the charge rates and the correspondent services and facilities as specified in the below Article 5.2].
- (k) "Space Only" means [the charge rates and the correspondent services and facilities as specified in the below Article 5.3].
- (I) "Exclusive Services Provider" means the providers designated by the Organizers to provide the relevant exhibition services to the Exhibitor for the purpose of on-site safety and management. Please refer to the Exhibitor Service
- (m) "Affiliates" means parent companies, subsidiaries of the relevant Party. un) Almates means parent companies, assumanes or the retevant rates, subsidiaries of parent companies or companies merged to or aligned with the relevant companies, as well as individuals such as directors, managers or employees or other staff of the relevant Party or one of its affiliated companies at any relevant date
- (n) "Rules and Regulations" means [the rules and regulations on the Exhibition and Exhibition Venue in writing served on the Exhibitor].
- 'The Organizers" and "the Exhibitor" may be individually referred to as the "Party" or collectively as the "Parties" under these Conditions for Participation

2. Timetable

- 2.1 Exhibition Booths Build-up Period September 22 afternoon 24, 20
- 2.3 Booths Dismantling Period September 28, 2024

*For detailed arrangement, please refer to the confirmed dates in the

3. Deadline for Registration

4. Catalogue Entry
The participation fee includes a free basic entry of the Exhibitor's full contact details in the official catalogue (company, address, country, telephone, fax). The Exhibitor will be forwarded separate forms in due course for catalogue entries together with the information of costs of the additional services.

5. Costs of Participation
The costs of participation to be paid are as set forth in the participation options described under Articles 5.2, Article 5.3 and Article 5.4 below

The costs of general services and facilities (Article 5.1) are included in all the ontions under Article 5.2. Article 5.3 and Article 5.4

- Participation options:
 5.1 General services and facilities
 Provision of net fair space (stand area)
 Provision arage for public area (difference between gross and net area)
 Air conditioning of halls during Exhibition Period, if the indoor temperature is over 2.5 °C based on the actual measurement on-site.
- . Entry of Exhibitor's contact details in the catalogue of the Exhibition ompany name, address, country, tel and fax)
- Entry or Entry
 Company name, address, country, telanu 16A,
 Mark of Stand number
 Cleaning of aisles and passages in halls (exhibitors are responsible for

- cteaning their own stants; General security service (no individual surveillance) Fire protection service during Build-up Period, Exhibition Period and Dismantling Period Design of public area and halls (banners, marks)
- General illumination of halls during Build-up Period, Exhibition Period and
- General Illumination of nalis during Build-up Period, Extinition Period and Dismantling Period
 Equipping and operating a service centre (fax and telephone, forwarding agents, technical facilities office and the Organizers' office)
 Comprehensive visitor recruitment and promotion
 Visitor registration system (for trade events only)
 Information stands for visitors.

5.2 Sneu Scneme
Shell Scheme (min 12 sqm) CNY 2,750 /sqm
Services and facilities for "Shell Scheme" Option:
Stand build-up and dismantling, including basic furniture and electrical
facilities. See Space Application under "Shell Scheme".

5.3 "Space Only"

Space Only (min 18 sqm) CNY 2,500 /sqm

Services and facilities for "Space only" options:

Hall area without space for constructing structure.

5.4 "Co-exhibitor" CNY 6,513 / per co-exhibitor

Any additional technical services required, e.g. power, security, connection of water, local labour, are to be provided exclusively by the Organizers at an extra charge and can be subscribed by using special order forms by the Exhibitor. Fees for additional stand build-up services other than the participation fee, and any subscription for services shall be agreed or charged according to the Organizers' published price lists valid at the time of the event.

The rates published by the Organizers are fixed prices and the Exhibitor shall be deemed to have accepted the rates published by the Organizers by submitting the application for participation registration. In the event of any change in the initial conditions agreed between local contractual partners and the Organizers or of any amendment to the legal terms and fees after the Exhibitor has been admitted, the Organizers shall be entitled to adjust the published rates and charge the fees or the balance from the Exhibitor at the adjusted rates.

-mail: wire@mds.cn

6. Application for Registration
Application information must be submitted by using the enclosed form ("Application Form"), acknowledging the acceptance of these Conditions of Participation. The completed Application Form bearing a signature and stamp of the Exhibitor shall be

Messe Düsseldorf (Shanghai) Co., Ltd. Medicase Unit 2902/03/04A, Sinar Mas Plaza, 501 Dongdaming Road, Hongkou District, Shanghai 200080, China Tel: (86 21) 6169 8373

Conditions or other terms of reservations or amendment of rights and interests Conditions or other terms of reservations or amendment of rights and interests specified by the Exhibitor in the Application Form shall only become part of the contractual relationship between Organizers and Exhibitor if accepted inwriting by the Organizers. Requests for specific exhibiting sites do not form a condition of participation. Only upon receipt by the Organizers shall the application for participation be deemed to have been submitted. In submitting the Application Form, the Exhibitor expressly agrees that it will not at any time during the Relevant Period withdraw its application. Particulars given shall be stored by the Organizers for automatic data processing and shall be made available to third parties upon implementation of the contract. In submitting the Application Form, the Exhibitor expressly agrees that the Organizers may provide its information to third parties Applications shall be processed by the Organizers in the order received. Any application received after the start of Space allocation can only be received. Any application received after the start of space allocation can only be considered if sufficient space is available. Any required services offered by the Exclusive Services Provider must be subscribed through the Organizers

In principle, only those Exhibitors whose exhibit range is within the theme the Exhibition shall be admitted in the Exhibition. The Exhibitor does not have legal right to require admission

The Organizers shall have sole and absolute discretion to decide whether to approve the applications for registration of exhibitors and exhibits. Any company which has failed to perform its financial obligations owing to the Organizers or their Affiliates (from previous fair participation and / or under the terms of these Conditions of Participation) may be rejected by the

Until an Exhibitor's application, has been accepted in writing ("Payment Notice") by Until an Exhibitor's application has been accepted in writing ("Payment Notice") by the Organizers, no rights to participation will be granted to the Exhibitor notwithstanding payment or an acceptance of the full rental paid together with the Application Form. The Organizers reserve the right to decline any application without giving any reason. The date of the Payment Notice issued by the Organizers shall form the commencement of the Contract between Organizers and Exhibitor.

The Organizers shall be entitled to revoke any admission if such admission was based on misunderstanding, false information or if the preconditions for approval no

Should the Organizers be compelled to relocate or change certain individual stands, entrances, exits or aisles after giving the admission, such relocation or change shall not give rise to any claim against the

If through no fault on the part of the Organizers the space allocated can no longer be used, the Exhibitor shall be entitled to request a refund of the participation fee, free of interest. No claim for further damages shall be

Following admission by the Organizers (or conclusion of contract), the obligation to pay the participation fee shall be and remain legally binding obligation to pay the participation fee shall be and remain legally binding on the Exhibitor, even if the authorities in the exhibiting country do not approve, in whole or part, the Exhibitor's import requirements, or if exhibits for any reason whatsoever fail to arrive at the Exhibition Venue in time or to arrive at all (e.g. owing to loss, delays in transit or detention by customs), or if the Exhibitor or its agent is late for or even unable to

Should the Exhibitor or its agent fails to take over the allocated stand area two days prior to the beginning of the Exhibition Period, such area may be otherwise disposed of in such manner as the Organizers shall determine in its absolute discretion. This shall not release the Exhibitor from its contractual obligations or entitle him to a demand for refund or lodge any other claims against the Organizers.

Without the prior consent of the Organizers, Exhibitors are not permitted to give their allotted stand either fully or in part to a third party, whether for payment or free of charge. Products or companies other than those specified on the Payment Notice cannot be advertised on the stand.
